

Our Client Agreement

This is our supplementary client agreement which should be read in conjunction with the 'Key Facts about our services and costs' document and our 'GDPR Privacy Notice' which are provided with this agreement.

When we meet with you, we will explain how we work on your behalf. This will include discussing your current situation, your financial and personal objectives, and obtaining relevant information from you to enable us to then proceed to making a recommendation to meet your objectives. We will also discuss with you the options for payment (see separate section).

Willow Financial Planning Limited is regulated by the Financial Conduct Authority: please feel free to check the Financial Services Register – our Number is 577482 – which you can access at <https://register.fca.org.uk> or by telephoning 0300 500 0597.

Independence:

We are independent for Investments and pension business. This means that we will assess a sufficient range of relevant products available on the market which is diverse in terms of product type and provider to ensure that your investment objectives can be suitably met. We are not limited in the type of product or provider in terms of having any close links with any firms or any contractual relationship with a third party that may impair the independent basis of our advice to you.

We will offer you the opportunity of paying by fee directly yourself or via Adviser Charging through the product provider recommended (please refer to details on our charging structure).

When looking to address your protection needs, we will provide advice based on a fair and personal analysis of the market.

How we are remunerated:

We charge fees for the advice and assistance in implementing any recommendation provided by Willow Financial Planning Limited only. We do not include custodian fees or provider charges. Following the initial meeting we will confirm the next steps of our advice process and provide an estimate of the fees payable. Where VAT is applicable, we will highlight this to you before any fee is charged, however as the intent is intermediation, it is unlikely that VAT will be chargeable.

For mortgage and protection advice, please refer to the separate 'Key Facts about Our Costs and Services' document for details regarding our costs.

For protection advice, you will be advised of the commission that we will receive from the product provider prior to the application form being submitted to the provider.

Client Classification:

As a client of Willow Financial Planning Limited we will classify you as a 'retail client' for investment and pension advice and as a 'consumer' for protection advice. This will provide you with the maximum regulatory protections available to you. Should your classification change in the future, we will advise you accordingly in writing and obtain your agreement before proceeding with any financial planning advice.

How we act for you:

The company will exercise due care and diligence in conducting their business, but will not be liable for any depreciation of investments arranged by them.

We prefer our clients to give us instructions in writing to avoid possible disputes. We will, however, accept oral instructions providing they are subsequently confirmed in writing.

Any advice we give you will normally be in writing, but if given orally will be recorded on your file. Where any recommendation we make, or transaction we undertake for you, results in a right to cancel the policy under certain conditions, we will advise you of these rights. We will also tell you if you do not have a right to cancel the arrangement.

There may be occasions where we, or one of our customers, will have some form of interest in business that we are transacting for you. If this happens, or we become aware that our interests or those of one of our other customers conflict with your interests, we will inform you in writing and obtain your consent before we carry out your instructions. If we can continue to act for you, we will tell you how we will ensure your interests are protected. On occasions we may have to cease acting for you, but we will help you find advice from elsewhere if you want us to.

When we arrange investments for you we will register these in your name unless otherwise agreed in writing. Additionally, we will ensure you receive either a contract note, documents of title, or certificates evidencing title. Where a number of documents relating to a series of transactions is involved, the documents will normally be retained until the series is completed.

All documents, cheques, and paperwork may be sent by post at the client's risk as soon as we receive the documents from the product provider concerned. We shall at the clients request and expense, send documents by registered post. In the absence of such a request, the client shall pay all charges incurred for the recovery or replacement of lost documents.

Any advice that we give will be based on your financial objectives and your attitude to investment risk. We will endeavour to ensure that any recommendation made is suitable for you. Any recommendation made will be confirmed in writing to you. Should you decline to provide the information requested about your circumstances then we may decline to continue with the business relationship since we would not be able to demonstrate that the recommendation is suitable given your financial circumstances.

In transmitting applications on your behalf to third parties, we will take all reasonable steps to ensure that we obtain the best possible result for you. This is referred to as 'best execution'.

Providing information to your insurer:

Your insurance / protection cover is based upon the information you provide to the insurance company. For all individuals (known as consumers) buying insurance this means that you must take 'reasonable care' to answer all questions asked by the insurer fully and accurately. For general insurance policies such as car insurance or liability insurance, once cover has been arranged, you must immediately notify the insurers or us of any changes to the information that you have already provided. Failure to provide accurate and up to date information may invalidate your insurance cover and mean that a claim may not be paid.

All other clients (commercial customers for example) must still disclose all 'material facts' (any information that may influence the insurer's decision over cover or terms) prior to inception and throughout the period of the policy. Again, failure to disclose material information may invalidate your insurance cover and could mean that a claim may not be paid.

Please note that if you reside outside of the UK, you may wish to seek further advice from a local adviser in your place of residence regarding the impact of our advice in relation to local taxation, practices and law. This is because the advice we provide you will be on the basis of being a UK Independent Financial Adviser and we do not have specialist knowledge of any legislation, taxation or financial practices outside of the UK.

The company and its representatives are not qualified to provide any legal advice and will not provide any opinion as to whether a client should complain about any previous advice received unless explicitly agreed.

All communications, both verbal and in writing, will be in English.

Investment risk:

All investments carry a degree of financial risk which will tend to increase in proportion to the potential rate of return on the investments. Any product which is directly or indirectly invested in assets which may fall in value (for example equities) may itself fall in value along with any decrease in value of those assets. Before entering into any investment agreement, you must ensure that you understand the risk associated with the product and are content to accept that level of risk.

Investments can go down in value as well as up and you could get back less than you invest. The past is not a guide to future performance

We do not handle client monies:

Crossed cheques for premiums or investment monies can only be made payable directly to the product provider. No premiums or investment monies of any kind should be paid or made payable to anyone else.

Termination of this agreement:

We may terminate this agreement by giving you at least 20 business days' written notice.

You may terminate this agreement at any time, without penalty. Notice of termination must be given in writing and will take effect from the date of receipt.

Any transactions already initiated will be completed according to this agreement unless otherwise agreed in writing. Termination will not prejudice the completion of transactions already initiated on your behalf or any rights or obligations already arising.

You will be liable to pay for any services we have provided before cancellation and any outstanding fees, if applicable.

Delay in Processing:

The company will not be held responsible for any delay beyond its control, or as a result of a failure by any party (including the client) to complete all the necessary steps to process a transaction. Clients should be aware that the value of any investment made or withdrawals taken can fluctuate while being processed and the Company will not be held responsible for any changes to the expected value.

Complaints:

We have a written policy for handling complaints and how we ensure we deal with each complaint promptly and fairly. You can obtain a summary from us should you so request. Should you have cause to complain for any reason a copy of our policy for handling of complaints will be automatically sent to you. Please direct your complaint to the Compliance Manager at the company address.

Clients should be aware that if they are unhappy with any response to a complaint received from the company, they may complain directly to the Financial Ombudsman Service who will then assess whether they have an eligible complaint before proceeding with an investigation. You can contact FOS via www.financial-ombudsman.org.uk or telephone: 0800 023 4567

If you are an eligible claimant under the rules of the Financial Conduct Authority, you will also be protected by the Financial Services Compensation Scheme. You may be entitled to compensation from the scheme if we cannot meet our obligations. Compensation for investment advice is provided at £50,000 per claimant per defaulting firm. Non-Investment Protection cover for compulsory insurance is 100% of the claim with no upper limit and for other non-compulsory insurances, the cover is 90% of the claim with no upper limit.

Further information about compensation arrangements is available from the Financial Services Compensation Scheme. The Financial Services Compensation Scheme may also provide awards if any third party institution we may use is declared in default or insolvent.

Money Laundering:

We are obliged to conform with the UK Money Laundering Regulations and to the Joint Money Laundering Steering Group guidance notes. These regulations require all financial institutions to verify the identity and place of residence for each beneficial owner. In order to meet these requirements, we will require sight of certain documentation and confirmation as to where the investment monies are coming from. If you provide false or inaccurate documentation and we suspect fraud or money laundering then this will be recorded.

The company reserves the right to approach a third party in order to verify the identity of a client, or any other person providing funds on behalf of an investment made in the client's name.

Where further information is required, to verify identity, the company reserves the right to delay applications or withhold settlement until sufficient identification has been provided.

Not Readily Realisable Assets:

We may on occasions, and if appropriate, advise you on investments which are not readily realisable. Where this is the case, we will draw your attention to the risks associated with these investments as there is a restricted market for them. In some circumstances, it may therefore not be possible to deal in the investment or obtain reliable information about its value.

Unregulated Investment Products:

Our services may also include advice on investments relating to or executing transactions in units in unregulated collective investment schemes. Where we recommend an unregulated investment/ product then we will confirm to you that the FCA does not regulate the investment/product and therefore you may not be afforded the protections from the Financial Ombudsman Scheme or the Financial Services Compensation Scheme.

Foreign Account Tax Compliance Act (FATCA):

The Foreign Account Tax Compliance Act (FATCA) requires US persons holding an interest in any specified foreign financial assets with an aggregate value exceeding \$50,000 to report related information to the IRS.

It is your responsibility to inform us if you:-

- Have US citizenship or lawful permanent resident (green card) status
- Born in the US
- Have a US residence address or US correspondence address (including a US PO box)
- Standing instructions to transfer funds to an account maintained in the United States or directions regularly received from a US address
- Have a 'in care of' address or a 'hold mail' address that is the sole address with respect to the client;
- Have a power of attorney or signatory authority granted to a person with a US address

Please note that we are not responsible in any way for any reporting obligations that you may have in relation to FATCA. We may also share your FATCA status with other Financial Institutions, HMRC and/or the IRS if requested.
